# **Dementia Friendly Pharmacy Pilot**

Dear Pharmacist

Avon LPC is running a Dementia Friendly Pharmacy Project starting in February 2014.

We are looking for expressions of interest to be part of this funded pilot to perform interventions with

undiagnosed dementia patients. A small number of pharmacies will then

be selected, but it is a requirement that

Dementia Condition Alzheimer's

you attend one of the training sessions listed below. The pilot will commence in February 2014.

### We invite you to join us and make your pharmacy Dementia Friendly.

## Project Aims:

- Pharmacies will become more dementia increasing understanding of dementia in their communities. They will provide a range of information materials and signposting to local support services helping sufferers, carers and families to live well with dementia.
- Pharmacy interventions will improve early identification of dementia.
- Pharmacist medication interventions will optimise treatment for dementia sufferers.
