

February Online Training

New Discharge Medicines Service – becomes an essential service from 15th February 2021.

**Judith Poulton -
Implementation
Manager & Roger
Herbert - Pharmacy
Support**

Aims for the Training:

- * To understand what needs to be in place before the service goes live in your pharmacy.
- * To ensure pharmacy teams understand the new service and how to deliver it.
- * To share hints and tips about how to make the service successful in your pharmacy.
