

Common Disorders of the Ear, Nose and Throat and a review of the role of an independent prescriber

**Richard Brown, Judith
Poulton & Lisa Fisher -
Avon LPC - Wednesday
30th March 2022**

Aims for the Training:

- * Look at some of the common disorders of the ears, nose & throat and what advice you should give patients.
- * Share top tips to enable patients to self care
- * Support pharmacists with the most common referrals made via CPCS
- * Look at the red flags symptoms
- * Explore the role of an independent prescriber
