

March 2023 - Online Training

Depression

Wednesday 29th March 2023 -
7.30pm

**Speaker: Sarah
Belcher**

**Clinical Lead
Pharmacist BNSSG
and lead for Education
& Training**

Key Points of the Training Include:

- Learn about the latest updates regarding depression
- Have the opportunity to understand about how depression affects people and how it is clinically managed
- Anti-depressant will soon be included as part of NMS. This training will give you the confidence to support patients.

This will be held online.
